Solution

Q.

Which of the following is/are correct?

[MSQ]

A.

In unicast communication transmitting a packet from one computer to another computer in different class is possible.

B.

In unicast communication transmitting a packet from one computer to another computer in same class is possible.

C.

Transmitting a packet from one computer to all computer is called multicast communication.

D.

Transmitting a packet from one computer to many computer is called broadcast communication.

Q.

Which of the following is true?

[MCQ]

A.

Network ID is same for each class in IP address.

B.

Direct broadcast address (DBA) is same for each class.

C.

Limited broadcast address (LBA) is same for class A, B and C.

D.

Limited broadcast address (LBA) for class D is 255.255.255.255.

Q.

Consider a host with IP address 192.11.0.248, how many network ID bits are allocated for given IP? ____.

[NAT]

Q.

Consider the following statements:

[NAT]

S_1 : ARP request is always broadcast with in the network.

S_2 : ARP reply is unicasting.

S_3 : MAC address is of 6 bytes.

S_4 : With the help of port number process can be found within the host.

Total number of INCORRECT statements is/are ____.

Q.

Consider a host with IP address 190.11.25.0 which of the following will be a valid network ID? [MCQ]

A.

190.11.255.255

B.

190.0.0.0

C.

190.11.0.0

D.

None of these

Q.

Consider the IP address 224.224.92.69
which of following will be direct broadcast address for the given
host IP? [MCQ]

A.

224.224.92.255

B.

224.244.255.225

C.

255.255.255.255

D.

None of these

Q.

Consider an IP address 167.0.64.68. Which of the following option is/are correct for given IP address? **[MSQ]**

A.

Limited broadcast address for the given IP address is 255.255.255.255.

B.

Direct broadcast address for given IP address is 167.255.255.255.

C.

Network ID for given IP address is 167.0.0.0.

D.

Limited broadcast address for given IP is same as direct broadcast address.

Q.

The correct dotted decimal notation format for given hexadecimal notation (HDN) 162184AF is [MCQ]

A.

175.132.33.22

B.

22.33.132.174

C.

22.33.132.175

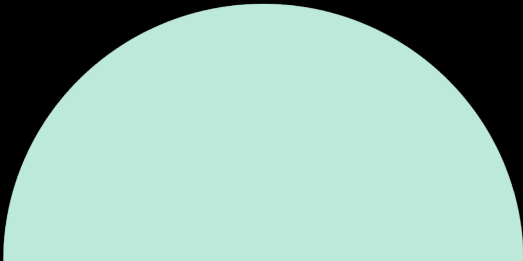

D.

None of these

THANK YOU!

Here's to a cracking journey ahead!

A large light green circle is located in the bottom right corner of the slide.
